The May Sale of Undermuslins & Kindred Lines

All Ready for the Start To-Morrow.

There is little new to be said of the QUALITY of the Undergarments provided for this great annual event. The standard is established by the FAULTLESSLY-FASHIONED WEAR manufactured in our own modern factory. The same quality can be obtained in the Macy Underwear section any selling day of the year. It is the BEST PROCURABLE—the best our factory organization can produce. The most particular home sewer will find difficulty in producing equally good garments—and she cannot possibly make up LESS WORTHY garments for anything like Macy's low prices.

Enormous stocks have been assembled—the largest in Macy history—for we count upon overtopping the 1904 Macy Sale record.

Some new features will be introduced to facilitate distribution—one of them a color card directory that will enable you to tell at a glance just where to locate garments of any particular size. Key cards will be in evidence everywhere throughout the department.
